Bando's Products

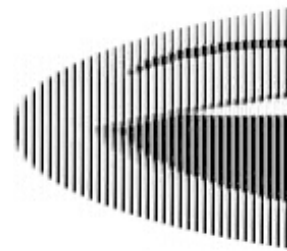

Hello Denise,

**The weather says "Baby it's getting Colder Outside!".
Christmas is getting closer!**

How many times have you heard...what do you want for Christmas or what do you think, he or she, would like for Christmas?

I would guess, everyone has heard that at least once. We have a DELICIOUS suggestion! I have never known a person who did not like fresh ingredients and doesn't like to snack.

We wish you all, a bright holiday season and a Merry Christmas.

**Kind regards,
WildN'Reckless / Mike and Denise**

- Just bought a jar last night and this morning, had some

homemade breakfast tacos with this stuff on top. Wow. This is seriously my favorite salsa now. Thank you for such great salsa.
